Ideas for Construction

Pool noodles work great for legs, and then taped around base post for stability

Foam mannequin head can be found at Joann Fabrics (around \$4), easy to staple the hair to the head

Plastic pumpkin trick-or-treat bucket works nicely as head, with holes drilled for drainage

Styrofoam packing work well inside arms and legs, once trimmed

Clothing sizes small and medium are likely to be too small for frame. Large & X-Large work nicely.

Hot glue accessories to costume and/or affix with wire
